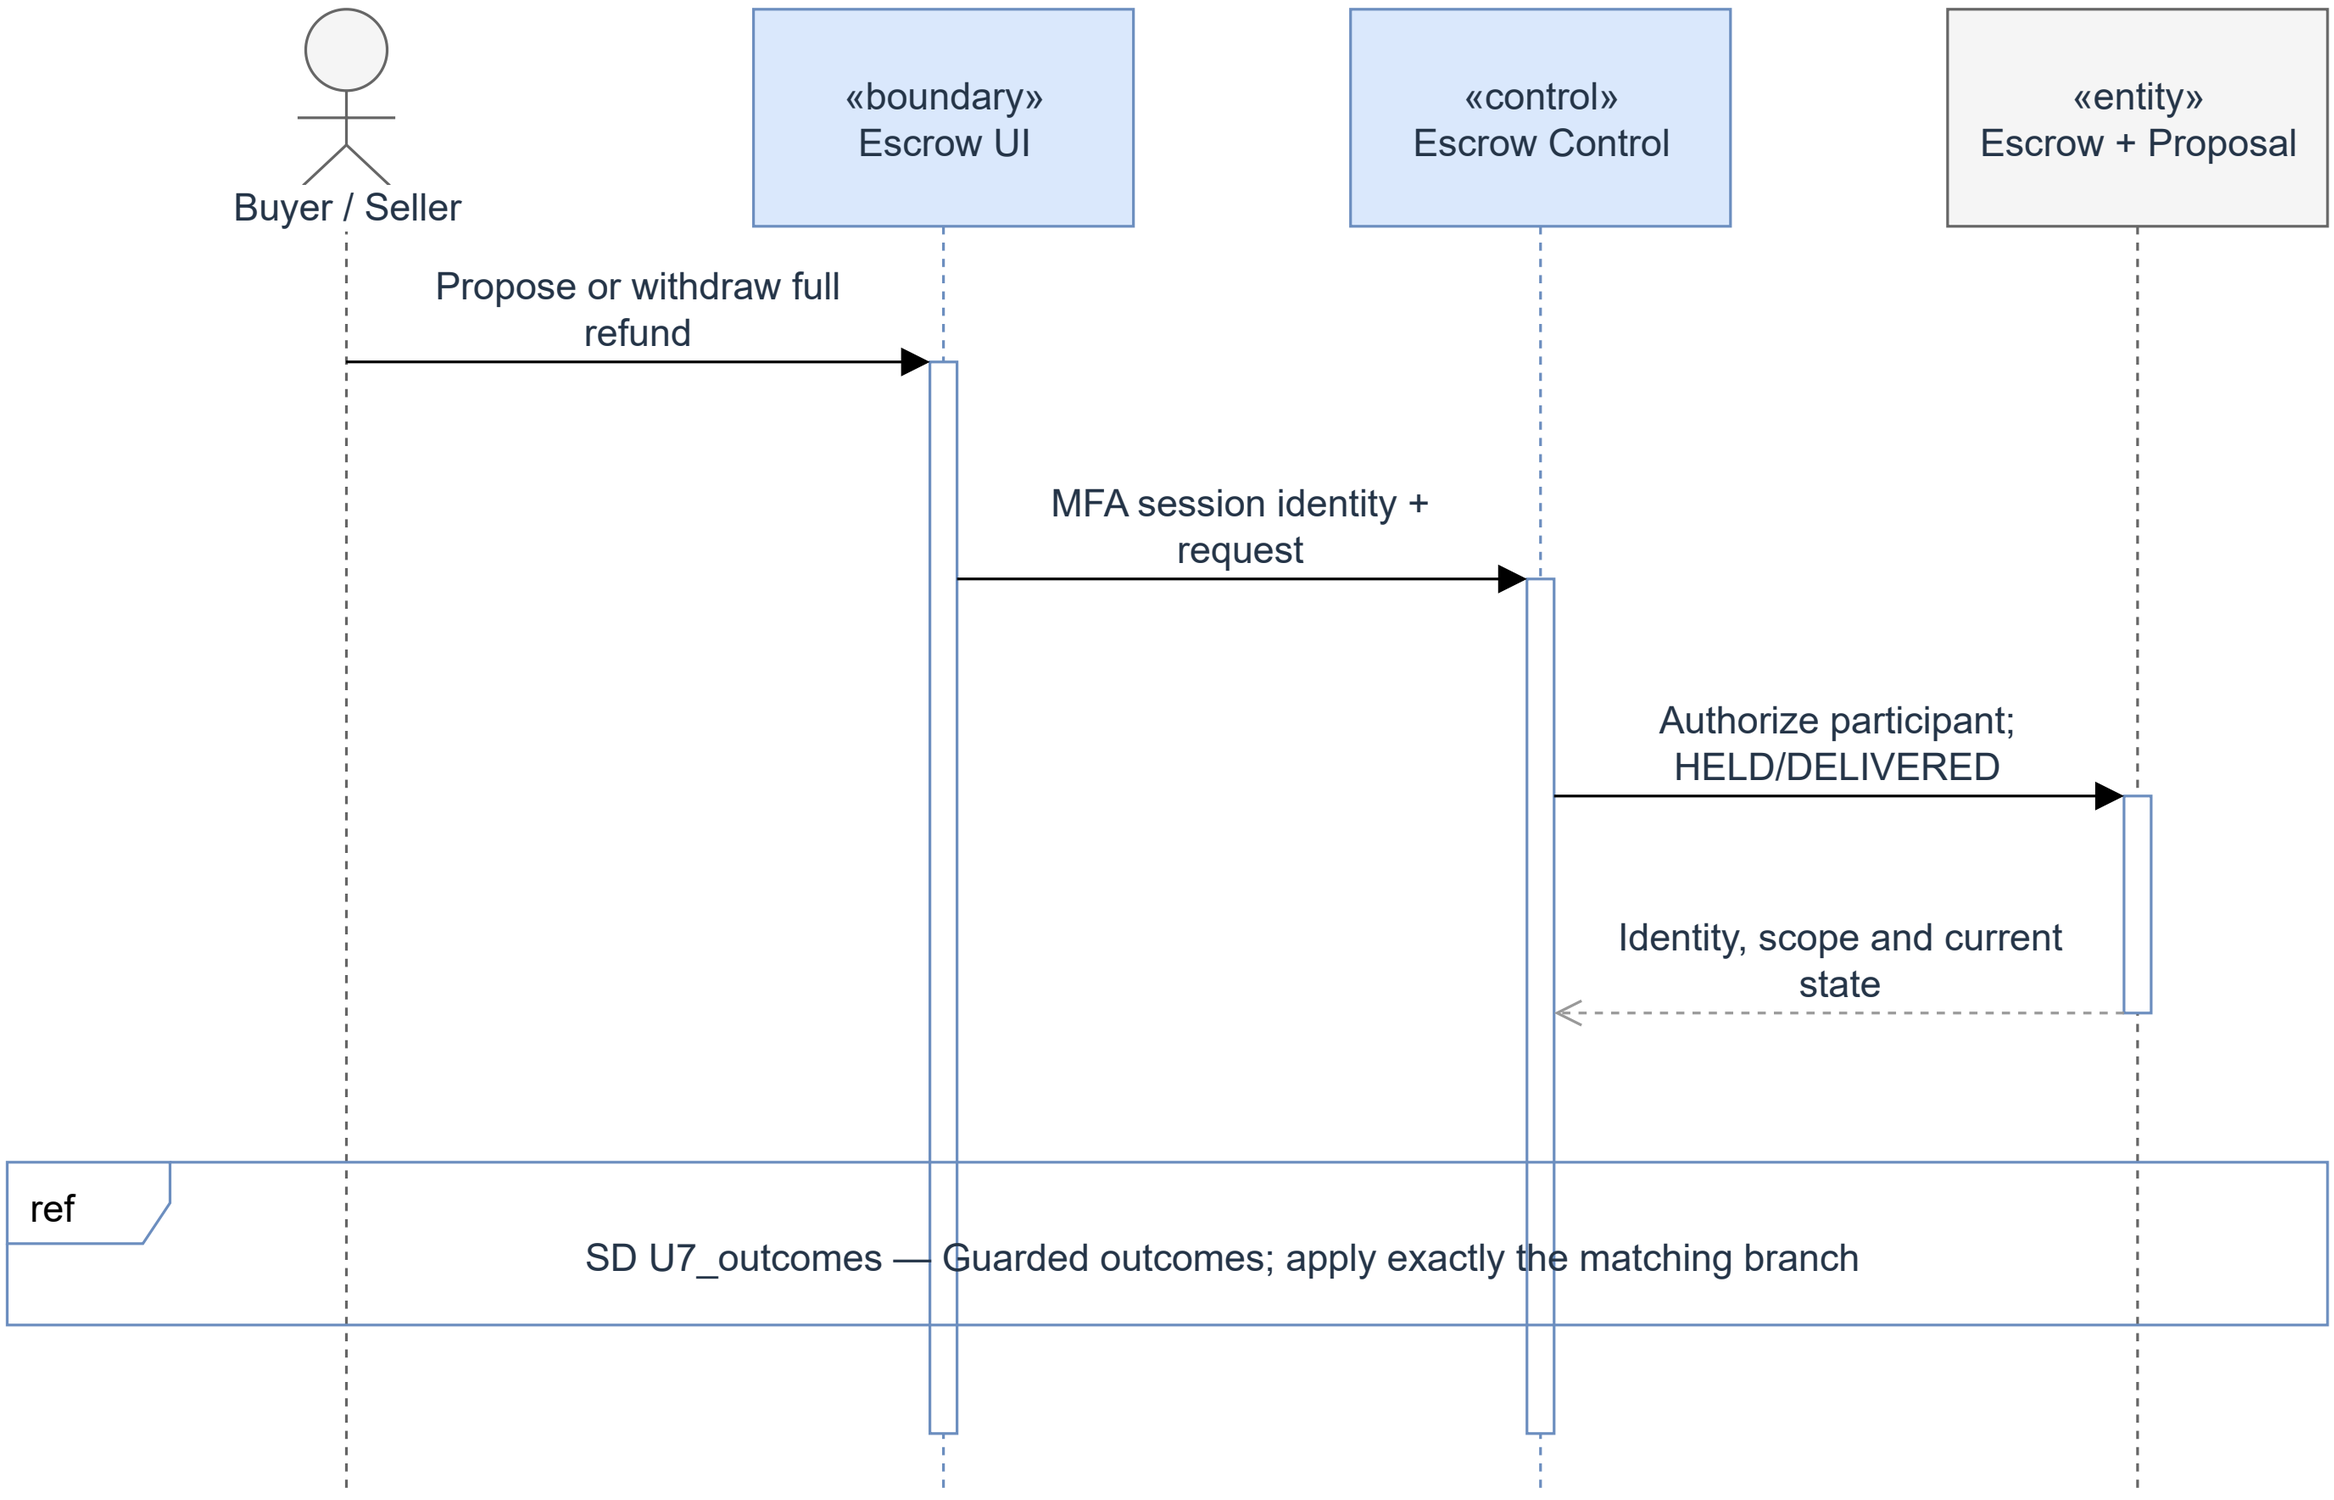
SD U7 — Propose/Withdraw Full Refund

EPS academic MVP | simulated VND | analysis-level interactions | time flows downward



A PENDING offer freezes seller completion recording and buyer release; all funds remain held. Rejection/withdrawal restores eligible actions without reverting existing delivery. Acceptance/dispute blocks stale withdrawal.

Blue: EPS boundary/control. Gray: actor/entity/external mock. Yellow: business constraint.

Solid filled arrow = request; dashed open arrow = async event or gray return. Frames show guarded alternatives/options.
